## 1. YOUR LEGAL RIGHTS UNDER THESE LIMITED WARRANTIES

The warranties contained in this booklet are the only express warranties that FCA US LLC (“FCA US”) makes for your vehicle. **These warranties give you specific legal rights. You may also have other rights that vary from jurisdiction to jurisdiction.** For example, you may have some implied warranties, depending on the jurisdiction where your vehicle was sold or is registered.

These implied warranties are limited, to the extent allowed by law, to the time periods covered by the express written warranties contained in this booklet.

If you use your vehicle primarily for business or commercial purposes, then these implied warranties do not apply and FCA US LLC completely disclaims them to the extent allowed by law. The implied warranty of fitness for a particular purpose does not apply if your vehicle is used for racing, even if the vehicle is equipped for racing.

**Some jurisdictions do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply to you.**

### 1.1 INCIDENTAL AND CONSEQUENTIAL DAMAGES NOT COVERED

**Your warranties do not cover any incidental or consequential damages connected with your vehicle’s failure, either while under warranty or afterward.**

Examples of such damages include:

- Lost time

- Inconvenience
- The loss of the use of your vehicle
- The cost of rental vehicles, gasoline, telephone, travel, or lodging
- The loss of personal or commercial property
- The loss of revenue

**Some jurisdictions do not allow incidental or consequential damages to be excluded or limited, so this exclusion may not apply to you.**

### 1.2 FCA US LLC DISPUTE SETTLEMENT PROGRAM

FCA US LLC offers a dispute settlement program under two options for customers. First, you may submit your claim to the National Center for Dispute Settlement (NCDS). For more information on the NCDS program, please see “section 6.1”. Second, if you prefer not to submit your claim to NCDS, or you are not satisfied with the result from NCDS, then you agree to resolve your dispute with FCA US LLC through binding arbitration as defined in “section 1.3”.

### 1.3 VOLUNTARY BINDING ARBITRATION PROVISION

Please carefully read this binding arbitration provision, which applies to any dispute between you and FCA US LLC and its affiliates (together “FCA”, “we” or “us”). If you have a concern or dispute, please send a written notice describing it and your desired resolution to FCA US LLC Office of the General Counsel, 1000 Chrysler Drive, CIMS 485-13-62, Auburn Hills, MI 48326-2766. This binding arbitration provision does not affect any rights a consumer has to participate in any of FCA

US LLC's nonbinding arbitration programs or any voluntary arbitration programs sponsored by any jurisdiction or government agency.

If your concern or dispute is not resolved within 60 days, you agree that any dispute arising out of or relating to any aspect of the relationship between you and FCA US LLC will not be decided by a judge or jury but instead by a single arbitration administered by the **American Arbitration Association (AAA)** under its **Consumer Arbitration Rules** in effect at the time you signed the Agreement to Arbitrate. This includes claims arising out of your warranty and claims arising before this agreement, such as claims related to statements about our products.

FCA US LLC will pay all AAA fees and costs for any arbitration, which will be held in the city or county of your residence. To learn more about the rules and how to begin an arbitration, you may call any AAA office or go to [www.adr.org](http://www.adr.org).

The arbitrator may only resolve disputes between you and FCA US LLC and may not consolidate claims without the consent of all parties. You and FCA US LLC may bring claims against the other only in your or its individual capacity and not as a plaintiff or class member in any class or representative action. The arbitrator cannot hear class or representative claims on behalf of others purchasing or leasing FCA US LLC vehicles. If a court or arbitrator decides that any part of this agreement to arbitrate cannot be enforced as to a particular claim for relief or remedy (such as declaratory relief), then that claim or remedy (and only that claim or remedy) shall be severed and must be brought in court and any other claims must be arbitrated.

If you prefer, you may instead take an individual dispute to small claims court or to the Department of Consumer Affairs of Puerto Rico.

You may opt out of arbitration within 30 days of taking delivery of the vehicle and signing the Arbitration Acknowledgment Form at the dealer. To opt out of the binding arbitration program, send a letter to: FCA US LLC Office of the General Counsel, 1000 Chrysler Drive, CIMS 485-13-62, Auburn Hills, MI 48326-2766, stating your name, Vehicle Identification Number (VIN), and intent to opt out of the arbitration provision. If you do not opt out, then this provision to arbitrate is binding.

You are covered by the Basic Limited Warranty if you are a purchaser for use of the vehicle.

#### B. WHAT IS COVERED

The Basic Limited Warranty covers the cost of all parts and labor needed to repair any item on your vehicle when it left the manufacturing plant that is defective in material, workmanship or factory preparation. There is no list of covered parts since the only exceptions are the parts in "section 2.1 C". These warranty repairs or adjustments, including all parts and labor connected with them, will be made by an authorized FIAT® dealer at no charge, using new or remanufactured parts.

#### C. ITEMS COVERED BY OTHER WARRANTIES

The following are covered by separate warranties offered by their makers. They are **not covered** by the Basic Limited Warranty:

- Tires
- Items added or changed after your vehicle left the manufacturing plant, such as accessories or protection products, or items changed because of customization

Be sure you get a copy of any warranty that applies to these items from the manufacturer of the product.

#### D. TOWING COSTS ARE COVERED UNDER CERTAIN CIRCUMSTANCES

Roadside Assistance covers the cost of towing your vehicle to the nearest authorized FIAT® dealer if your vehicle cannot be driven because a covered part has failed. Refer to "section 5.2" for information on how to get Roadside Assistance service in the United States, Canada and US Possessions and Territories.

#### E. WHEN IT BEGINS

#### F. WHEN IT ENDS

The Basic Limited Warranty lasts for four years from the date it begins or for 50,000 miles on the odometer, whichever occurs first. The following items are covered only for one year or for 12,000 miles on the odometer, whichever occurs first:

- The vehicle is operated and maintained in the manner described in your Owner's Manual.

**EXCEPT WHERE SPECIFICALLY REQUIRED BY LAW, THERE IS NO WARRANTY COVERAGE ON THIS VEHICLE IF IT IS SOLD IN OR REGISTERED IN COUNTRIES OTHER THAN THE UNITED STATES, UNITED STATES POSSESSIONS AND TERRITORIES.**

This policy does not apply to a vehicle that has received authorization for export from FCA US LLC. Dealers may not give authorization for export. Consult an authorized dealer to determine a vehicle's warranty coverage if you have any questions.

This policy does not apply to a vehicle registered to US government officials or military personnel on assignment outside of the United States.

## H. If You Move

If you move to another country, be sure to contact the FCA US LLC Customer Assistance Center in "section 6.2" and the customs department of the destination country before you move. Vehicle importation rules vary considerably from country to country. You may

be required to present documentation of your move to FCA US LLC in order to continue your warranty coverage. You may also be required to obtain documentation from FCA US LLC in order to register your vehicle in your new country.

## I. VEHICLE REGISTRATION NOTICE

If your vehicle is registered outside of the United States, US Possession or Territory, and you have not followed the procedure set out above, your vehicle will no longer be eligible for warranty coverage of any kind. Vehicles registered to United States government officials or military personnel on assignment outside of the US will continue to be covered.

If a hole occurs because of something other than corrosion, this warranty does not apply. Cosmetic or surface corrosion may be covered under the warranty. For more details on what is not covered by this warranty, refer to “section 3.5”.

### C. HOW LONG IT LASTS

The Corrosion Limited Warranty starts when your Basic Limited Warranty begins in “section 2.1 E”.

This warranty has two time-and-mileage limits:

- For sheet metal panels, the limit is three years with no mileage limit.
- For an outer-body sheet metal panel, one that is finish-painted and that someone can see when walking around the vehicle, the limit is five years with no mileage limit.

### D. WHAT IS NOT COVERED

Please note that while the standard Corrosion Limited Warranty applies to defects in material and/or workmanship, it does not cover the vehicle's matte finish appearance (if equipped).

Maintaining the matte finish appearance is solely the responsibility of the vehicle owner as described in your Owner's Manual.

## 3. WHAT IS NOT COVERED

### 3.1 MODIFICATIONS NOT COVERED

#### A. SOME MODIFICATIONS DO NOT VOID THE WARRANTIES BUT ARE NOT COVERED

Certain changes that you might make to your vehicle do not, by themselves, void the warranties described in this booklet. Examples of some of these changes are:

- Installing non-FCA US LLC parts, components, or equipment such as a non-FCA US LLC radio or cruise control.

#### NOTE:

Non-FCA US LLC parts can also impact downstream or other related safety systems.

Your warranties do not cover any part that was not on your vehicle when it left the manufacturing plant or is not certified for use on your vehicle. Nor do they cover the costs of any repairs or adjustments that

might be caused or needed because of the installation or use of non-FCA US LLC parts, components, equipment, materials, or additives.

Performance or racing parts are considered to be non-FCA US LLC parts. Repairs or adjustments caused by their use are not covered under your warranties.

Examples of the types of alterations not covered are:

- Installing accessories, except for genuine FCA US LLC/Mopar® accessories installed by an authorized FIAT® dealer.
- Applying rustproofing or other protection products.
- Changing the vehicle configuration or dimensions, such as converting the vehicle into a limousine.
- Using any refrigerant that FCA US LLC has not approved.

- Attaching any device that disconnects the odometer.

### 3.2 ENVIRONMENTAL FACTORS NOT COVERED

Your warranties do not cover damage caused by environmental factors such as airborne fallout, bird droppings, insect damage, chemicals, tree sap, salt, ocean spray, niter, acid rain, and road hazards. Nor do your warranties cover damage caused by hailstorms, windstorms, tornadoes, sandstorms, lightning, floods, and earthquakes.

Your warranties do not cover conditions resulting from anything impacting the vehicle. This includes cracks and chips in glass, scratches and chips in painted surfaces, or damage from collision.

### 3.3 MAINTENANCE COSTS NOT COVERED

Your warranties do not cover the costs of repairing damage caused by poor or improper maintenance. Nor do they cover damage caused by the use of contaminated fuels, or by the use of fuels, oils, lubricants, cleaners or fluids other than those recommended in your Owner's Manual.

The warranties do not cover the costs of your vehicle's normal or scheduled maintenance. Some of these parts and services, which your warranties do not cover include:

- Lubrication
- Replacing filters, coolant, or fuses (unless those costs result from a covered repair)
- Cleaning and polishing
- Replacing worn wiper blades, worn brake pads and linings, or clutch linings

### 3.4 RACING NOT COVERED

- The vehicle is rebuilt after being declared a total loss by an insurance company.
- The vehicle is issued a certificate of title indicating that it is designated as “salvage”, “junk”, “rebuilt”, “scrap”, or some similar word.

FCA US LLC will deny warranty coverage without notice if it learns that a vehicle is ineligible for coverage for any of these reasons.

This exclusion does not apply to recall campaigns.

### **3.8 RESTRICTED WARRANTY**

FCA US LLC may restrict the warranty on your vehicle if the vehicle is not properly maintained, or if the vehicle is abused or neglected, and the abuse or neglect interferes with the proper functioning of the vehicle. If the warranty is restricted, coverage may be denied or subject to approval by FCA US LLC before covered repairs are performed.

## 4. OTHER TERMS OF YOUR WARRANTIES

### 4.1 EXCHANGED PARTS MAY BE USED IN WARRANTY REPAIRS

In the interest of customer satisfaction, FCA US LLC may offer exchange service on some vehicle parts. This service is intended to reduce the amount of time your vehicle is not available for your use because of repairs. Parts used in exchange service may be new, remanufactured, reconditioned, or repaired, depending on the part involved.

All exchange parts that might be used meet FCA US LLC standards, and have the same warranties as new parts.

Examples of the kinds of parts that might be serviced in this way are:

- Electric Drive Unit
- Transmission Assemblies
- Instrument Cluster Assemblies
- Radios, CD and DVD Players
- Speedometers
- Powertrain Control Module (PCM)
- High voltage lithium-ion battery (with a lithium-ion battery of equal or greater capacity)

To help control suspected ozone depleting agents, the Environmental Protection Agency (EPA) requires the capture, purification, and reuse of automotive air conditioning refrigerant gases. As a result, a repair

to the sealed portion of your air conditioning system may involve the installation of purified reclaimed refrigerant.

### 4.2 PRE-DELIVERY SERVICE

A defect in or damage to the mechanical, electrical, sheet metal, paint, trim, and other components of your vehicle may have occurred at the factory or while it was being shipped to an authorized FIAT® dealer.

Such a defect or damage is usually detected and corrected at the factory. In addition, an authorized FIAT® dealer must inspect each vehicle before delivery. They repair any defects or damage detected before the vehicle is delivered to you.

### 4.3 PRODUCTION CHANGES

Changes may be made in vehicles sold by FCA US LLC and their authorized FIAT® dealers at any time without incurring any obligation to make the same or similar changes on vehicles previously built or sold.

## 5. HOW TO GET WARRANTY SERVICE

### 5.1 WHERE TO TAKE YOUR VEHICLE

They know your vehicle best, and are most concerned that you get prompt and high quality service. If you move within the United States, US Possession or Territory, warranty service may be requested from any authorized FIAT® dealer.

#### B. IN CANADA AND MEXICO

#### C. IN A FOREIGN COUNTRY OUTSIDE OF NORTH AMERICA

If you are traveling temporarily outside of North America, and your vehicle remains registered in the United States, US Possession or Territory:

- If an authorized FIAT® dealer charges you for repairs which you feel should be covered under your warranty, please get a detailed receipt for the work done. Make sure that this receipt lists all warranty repairs and parts that were involved. This receipt will be similar to the one used by an authorized FIAT® dealer that normally services your vehicle.
- When your vehicle returns to the United States, US Possession or Territory, contact the FCA US LLC Customer Assistance Center in “section 6.2” for reimbursement consideration. You will normally need to provide a copy of the receipt, your vehicle registration and any other relevant documents.
- Reimbursement will not be considered if the vehicle does not return to the United States, US Possession or Territory.

## **5.3 EMERGENCY WARRANTY REPAIRS**

If you have an emergency and have to get a warranty repair made by someone other than an authorized FIAT® dealer, follow the reimbursement procedure in “section 5.1 C”.

## 6. HOW TO DEAL WITH WARRANTY PROBLEMS

### 6.1 STEPS TO TAKE

#### A. IN GENERAL

Normally, warranty problems can be resolved by an authorized FIAT® dealer. Always talk to an authorized FIAT® dealer service manager or an authorized FIAT® dealer sales manager first. If you are not satisfied with the authorized FIAT® dealer's response to your problem, FCA US LLC recommends that you discuss your problem with the owner or general manager of the authorized FIAT® dealer.

If the authorized FIAT® dealer still cannot resolve the problem, contact the FCA US LLC Customer Assistance Center at the address in "section 6.2".

#### B. WHAT FCA US LLC WILL DO

Once you have followed the recommended instructions described in "section 6.1 A", an FCA US LLC representative at FCA US LLC headquarters will review your situation. If it is something that FCA US LLC can help you with, FCA US LLC will provide an authorized FIAT® dealer with all the information and assistance necessary to resolve the problem. Even if FCA US LLC cannot help you, FCA US LLC will acknowledge your contact and explain FCA US LLC's position.

#### C. VOLUNTARY NON-BINDING ARBITRATION PROCESS

FCA US LLC offers a non-binding voluntary dispute resolution process in all 50 states, which is administered by the National Center for Dispute Settlement (NCDS).

This service is strictly voluntary, and you may submit your dispute directly to the CAP at no cost. The CAP is administered by an independent dispute settlement organization and may be contacted in writing at the following address:

National Center for Dispute Settlement (NCDS)

FCA US LLC Customer Arbitration Process

P.O. Box 515315

Dallas, TX 75251-5315

The CAP reviews only vehicle disputes involving FCA US LLC ("FCA US") Limited Warranty or an FCA US LLC/Mopar® Part Limited Warranty. The CAP does not review disputes involving the sale of a new or used vehicle, personal injury/property damage claims, disputes relating to the design of the vehicle or a part, or disputes which are already the subject of litigation.

The CAP will need the following information from you:

1. Legible copies of all documents and repair orders relevant to your case.
2. Vehicle Identification Number (VIN) of your vehicle.
3. A brief description of your unresolved concern.
4. The identity of your servicing/selling dealer.
5. The date(s) of repair(s) and mileage at the time.

6. The current mileage.
7. A description of the action you expect to resolve your concern.

Upon receipt of your request:

- The National Center for Dispute Settlement (NCDS) will acknowledge receipt of your request, by email or mail, within 10 days, and advise you whether or not your dispute is within the jurisdiction of the process.
- When your request is within jurisdiction, NCDS will request FCA US LLC to present their side of the dispute. You will receive copies of the responses.
- While your dispute is pending, NCDS or FCA US LLC may contact you to see if your case can be settled by agreement. If a settlement is offered to you, FCA US LLC will ask you to sign a form that contains that settlement. Your case will then be closed. There is no requirement for you to participate in this settlement process.
- If you requested an oral hearing, with NCDS will contact you to arrange a convenient time and place for a hearing. Usually, this will be at a dealer near you or by teleconference.
- If you request a documents-only review, a panel of neutral arbitrators will review and decide your case. Neither you nor FCA US LLC need be present.

In all other jurisdictions, we ask that you give us written notice of any service difficulty. Send your written notice to the FCA US LLC Customer Assistance Center at the address in "section 6.2".
