1. YOUR LEGAL RIGHTS UNDER THESE LIMITED WARRANTIES

The warranties contained in this booklet are the only express warranties that FCA US LLC ("FCA US") makes for your vehicle. **These warranties give you specific legal rights. You may also have other rights that vary from state to state.** For example, you may have some implied warranties, depending on the state where your vehicle was sold or is registered.

These implied warranties are limited, to the extent allowed by law, to the time periods covered by the express written warranties contained in this booklet.

If you use your vehicle primarily for business or commercial purposes, then these implied warranties do not apply and FCA US LLC completely disclaims them to the extent allowed by law. The implied warranty of fitness for a particular purpose does not apply if your vehicle is used for racing, even if the vehicle is equipped for racing.

Some states do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply to you.

1.1 INCIDENTAL AND CONSEQUENTIAL DAMAGES NOT COVERED

Your warranties do not cover any incidental or consequential damages connected with your vehicle's failure, either while under warranty or afterward.

Examples of such damages include:

- Lost time

- Inconvenience
- The loss of the use of your vehicle
- The cost of rental vehicles, gasoline, telephone, travel, or lodging
- The loss of personal or commercial property
- The loss of revenue

Some states do not allow incidental or consequential damages to be excluded or limited, so this exclusion may not apply to you.

1.2 FCA US LLC DISPUTE SETTLEMENT PROGRAM

FCA US LLC offers a dispute settlement program under two options for customers. First, you may submit your claim to the National Center for Dispute Settlement (NCDS). For more information on the NCDS program, please see "section 7.1". Second, if you prefer not to submit your claim to NCDS, or you are not satisfied with the result from NCDS, then you agree to resolve your dispute with FCA US LLC through binding arbitration as defined in "section 1.3".

1.3 VOLUNTARY BINDING ARBITRATION PROVISION

Please carefully read this voluntary binding arbitration provision, which applies to any dispute between you and FCA US LLC and its affiliates (together "FCA", "we" or "us"). If you have a concern or dispute, please send a written notice describing it and your desired resolution to FCA US LLC Office of the General Counsel, 1000 Chrysler Drive, CIMS 485-13-62, Auburn Hills, MI 48326-2766. This binding arbitration provision does not affect any rights a consumer has to participate in any of FCA US LLC's nonbinding arbitration programs or any voluntary arbitration programs sponsored by any state or government agency.

If your concern or dispute is not resolved within 60 days, you agree that any dispute arising out of or relating to any aspect of the relationship between you and FCA US LLC will not be decided by a judge or jury but instead by a single arbitration administered by the **American Arbitration Association (AAA)** under its **Consumer Arbitration Rules** in effect at the time you signed the Agreement to Arbitrate. This includes claims arising out of your warranty and claims arising before this agreement, such as claims related to statements about our products.

FCA US LLC will pay all AAA fees and costs for any arbitration, which will be held in the city or county of your residence. To learn more about the rules and how to begin an arbitration, you may call any AAA office or go to www.adr.org.

The arbitrator may only resolve disputes between you and FCA US LLC and may not consolidate claims without the consent of all parties. You and FCA US LLC may bring claims against the other only in your or its individual capacity and not as a plaintiff or class member in any class or representative action. The arbitrator cannot hear class or representative claims on behalf of others purchasing or leasing FCA US LLC vehicles. If a court or arbitrator decides that any part of this agreement to arbitrate cannot be enforced as to a particular claim for relief or remedy (such as declaratory relief), then that claim or remedy (and only that claim or remedy) shall be severed and must be brought in court and any other claims must be arbitrated.

If you prefer, you may instead take an individual dispute to small claims court.

You may opt out of arbitration within 30 days of taking delivery of the vehicle and signing the Arbitration Acknowledgment Form at the dealer. To opt out of the binding arbitration program, send a letter to: FCA US LLC Office of the General Counsel, 1000 Chrysler Drive, CIMS 485-13-62, Auburn Hills, MI 48326-2766, stating your name, Vehicle Identification Number (VIN), and intent to opt out of the arbitration provision. If you do not opt out, then this agreement to arbitrate is binding.

This policy does not apply to vehicles registered to US government officials or military personnel on assignment outside of the United States.

H. IF YOU MOVE

You may also be required to obtain documentation from FCA US LLC in order to register your vehicle in your new country.

I. VEHICLE REGISTRATION NOTICE

might be caused or needed because of the installation or use of non-FCA US LLC parts, components, equipment, materials, or additives.

Performance or racing parts are considered to be non-FCA US LLC parts. Repairs or adjustments caused by their use are not covered under your warranties.

Examples of the types of alterations not covered are:

- Installing accessories, except for genuine FCA US LLC/Mopar® accessories installed by an authorized Chrysler, Dodge, Jeep®, Ram, or Business Link dealer.
- Applying rustproofing or other protection products.

your warranties cover damage caused by hailstorms, windstorms, tornadoes, sandstorms, lightning, floods, and earthquakes.

Your warranties do not cover conditions resulting from anything impacting the vehicle. This includes cracks and chips in glass, scratches and chips in painted surfaces, or damage from collision.

3.3 MAINTENANCE COSTS NOT COVERED

Your warranties do not cover the costs of repairing damage caused by poor or improper maintenance. Nor do they cover damage caused by the use of contaminated fuels, or by the use of fuels, oils, lubricants, cleaners or fluids other than those recommended in your Owner's Manual.

The warranties do not cover the costs of your vehicle's normal or scheduled maintenance, the parts and services that all vehicles routinely need.

Some of these parts and services, which your warranties do not cover, include:

- Lubrication

3.7 TOTAL LOSS, SALVAGE, JUNK, OR SCRAP VEHICLES NOT COVERED

A vehicle has no warranty coverage of any kind if:

- The vehicle is declared a total loss by an insurance company.
- The vehicle is rebuilt after being declared a total loss by an insurance company.
- The vehicle is issued a certificate of title indicating that it is designated as “salvage”, “junk”, “rebuilt”, “scrap”, or some similar word.

FCA US LLC will deny warranty coverage without notice if it learns that a vehicle is ineligible for coverage for any of these reasons.

This exclusion does not apply to emission warranties or to recall campaigns.

3.8 RESTRICTED WARRANTY

FCA US LLC may restrict the warranty on your vehicle if the vehicle is not properly maintained, or if the vehicle is abused or neglected, and the abuse or neglect interferes with the proper functioning of the vehicle. If the warranty is restricted, coverage may be denied or subject to approval by FCA US LLC before covered repairs are performed.

4. OTHER TERMS OF YOUR WARRANTIES

4.1 EXCHANGED PARTS MAY BE USED IN WARRANTY REPAIRS

In the interest of customer satisfaction, FCA US LLC may offer exchange service on some vehicle parts. This service is intended to reduce the amount of time your vehicle is not available for your use because of repairs. Parts used in exchange service may be new, remanufactured, reconditioned, or repaired, depending on the part involved.

All exchange parts that might be used meet FCA US LLC standards, and have the same warranties as new parts.

Examples of the kinds of parts that might be serviced in this way are:

- Engine Assemblies
- Transmission Assemblies
- Instrument Cluster Assemblies
- Radios, CD and DVD players
- Speedometers
- Powertrain Control Module (PCM)

To help control suspected ozone-depleting agents, the Environmental Protection Agency (EPA) requires the capture, purification, and reuse of automotive air conditioning refrigerant gases. As a result, a repair to the sealed portion of your air conditioning system may involve the installation of purified reclaimed refrigerant.

4.2 PRE-DELIVERY SERVICE

5.5 CALIFORNIA EMISSION WARRANTY

Ram Heavy Duty Vehicles (Excluding ProMaster EV Vehicles)

A. YOUR WARRANTY RIGHTS AND OBLIGATIONS APPLIES ONLY TO VEHICLES CERTIFIED FOR SALE AND REGISTERED IN THE STATE OF CALIFORNIA

The California Air Resources Board is pleased to explain the emission control system warranty on your 2024 model vehicle. In California, new motor vehicles must be designed, built and equipped to meet the state's stringent anti-smog standards. FCA US LLC ("FCA US") must warrant the emission control system on your vehicle for the periods of time listed in this booklet provided there has been no abuse, neglect or improper maintenance of your vehicle.

Your emission control system may include parts such as the catalytic converter or Powertrain Control Module (PCM). Also included may be hoses, belts, connectors and other emission-related assemblies.

Where a warrantable condition exists, FCA US LLC will repair your vehicle at no cost to you, including diagnosis, parts and labor.

Some or all of your warranty rights and obligations can be found in the Warranty Information book at www.mopar.com.

As part of your vehicle purchase, we supplied an electronic booklet entitled "Warranty Information." Some or all of your warranty rights and obligations are set forth there.

The emission warranty statement specified in this booklet applies only to vehicles certified for sale and registered in the state of California or in one of the following states (excluding 4500/5500 Diesel vehicles):

Colorado	Massachusetts	Pennsylvania
Connecticut	New Jersey	Rhode Island
Delaware	New York	Vermont
Maine	Oregon	Washington
Maryland		

In addition, if your vehicle is a model certified as a Transitional Zero Emission Vehicle (TZEV), you are entitled to the warranty rights and obligations set forth in this booklet, if your vehicle was certified for sale and registered in California or one of the following states:

Colorado	Massachusetts	Oregon
----------	---------------	--------

Connecticut	New Jersey	Rhode Island
Maine	New York	Vermont
Maryland		

B. OWNER'S WARRANTY RESPONSIBILITIES

- As the vehicle owner, you are responsible for the performance of the **required maintenance listed in your Owner's Manual**. FCA US LLC recommends that you retain all receipts covering maintenance on your vehicle, but FCA US LLC cannot deny warranty solely for the lack of receipts or for your failure to ensure the performance of all scheduled maintenance.
- You are responsible for presenting your vehicle to a Business Link dealer as soon as a problem exists. The warranty repairs should be completed in a reasonable amount of time, not to exceed **30 days**.
- As the vehicle owner, be aware that FCA US LLC may deny your warranty coverage if your vehicle or a part has failed due to abuse, neglect, improper maintenance or unapproved modifications.

C. GETTING SERVICE UNDER THE CALIFORNIA EMISSION WARRANTY

A. What To Do If You Fail A Smog Check

If a vehicle fails a state smog check test during the coverage period, FCA US LLC will repair the vehicle so that it will pass a state smog check retest. The owner should take the vehicle to any authorized Business Link dealer for warranty repairs and give a copy of the failed smog check test report to the dealer. If the owner is not notified within 30 days that a performance warranty claim is denied, FCA US LLC must repair the vehicle free of charge.

B. What To Do To Get Warranty Service

To get warranty service, even if you are traveling, take your vehicle to any Business Link dealer. FCA US LLC recommends that you take your vehicle to a dealer who sells the same make of vehicle as yours. That dealer will perform any warranty service without charging you for diagnosis, parts or labor.

C. Emergency Emission Warranty Service

If you need emergency service under this warranty and a Business Link dealer is not readily available, you may have your vehicle repaired by anyone using any brand of repair parts.

Before FCA US LLC will reimburse you for emergency repairs under this warranty, you will have to provide FCA US LLC with details on why the situation was an emergency and why dealer service was unavailable.

Under this warranty, an emergency occurs if a part will not be available within 30 days or if a repair cannot be completed within 30 days.

However, FCA US LLC recommends that you do the following before having repairs made:

- Contact the FCA US LLC Customer Assistance Center and ask for help with Emission Warranty service.
- The Customer Assistance Center will recommend an authorized servicing dealer or help you find a qualified independent servicing dealer.
- If you use an independent servicing dealer, make arrangements during your first contact with the Customer Assistance Center for reimbursement of emergency repairs, including labor and diagnosis.

You will need to get and keep the replaced parts, as well as the original invoice marked “paid”.

- Review with the Customer Assistance Center any questions you have about the Emission Warranty. Reimbursement for parts will be based on FCA US LLC’s suggested retail price. Reimbursement for labor will be based on FCA US LLC’s recommended time allowance for the repair and on the appropriate hourly labor rate in the geographic area where you had the work done.

The CAP reviews only vehicle disputes involving FCA US LLC ("FCA US" Limited Warranty or an FCA US LLC/Mopar® Part Limited Warranty. The CAP does not review disputes involving the sale of a new or used vehicle, personal injury/property damage claims, disputes relating to the design of the vehicle or a part, or disputes which are already the subject of litigation.

The CAP will need the following information from you:

1. Legible copies of all documents and repair orders relevant to your case.
2. Vehicle Identification Number (VIN) of your vehicle.
3. A brief description of your unresolved concern.
4. The identity of your servicing/selling dealer.
5. The date(s) of repair(s) and mileage at the time.
6. The current mileage.
7. A description of the action you expect to resolve your concern.

Upon receipt of your request:

- The National Center for Dispute Settlement (NCDS) will acknowledge receipt of your request, by email or mail, within 10 days, and advise you whether or not your dispute is within the jurisdiction of the process.
- When your request is within jurisdiction, NCDS will request FCA US LLC to present their side of the dispute. You will receive copies of the responses.
- While your dispute is pending, NCDS or FCA US LLC may contact you to see if your case can be settled by agreement. If a settlement is offered to you, FCA US LLC will ask you to sign a form that contains that settlement. Your case will then be closed. There is no requirement for you to participate in this settlement process.
- If you requested an oral hearing, NCDS will contact you to arrange a convenient time and place for a hearing. Usually, this will be at a dealer near you or by teleconference.

- If you request a documents-only review, a panel of neutral arbitrators will review and decide your case. Neither you nor FCA US LLC need be present.
- NCDS will send you a written Statement of Decision. This statement will include the decision, any action to be taken by FCA US LLC and the time by which the action must be taken. The decision will be binding on FCA US LLC but not on you unless you accept the decision.
- If any action is required on FCA US LLC, you will be contacted within 10 days after the date by which FCA US LLC must act to determine whether performance has been rendered.
- The entire dispute settlement process will normally take no longer than 40 days.

D. NOTICE UNDER STATE LEMON LAWS

Some states have laws allowing you to get a replacement vehicle or a refund of the vehicle's purchase price under certain circumstances. These laws vary from state to state. If your state law allows, FCA US LLC requires that you first notify us in writing of any service difficulty that you may have experienced so that we can have a chance to make any needed repairs before you are eligible for remedies provided by these laws. In all other states, we ask that you give us written notice of any service difficulty. Send your written notice to the FCA US LLC Customer Assistance Center using the address in "section 7.2".

E. CALIFORNIA RESIDENTS ONLY

FCA US LLC offers a non-binding dispute resolution program in the state of California that has been certified by the Arbitration Certification Program of the state. The California Dispute Settlement

Program (CDSP) is a neutral third-party arbitration provider that administers the cases. Detailed program information can be found online at www.mopar.com under Warranty/Additional Publications or in the California Dispute Settlement Program booklet provided with your vehicle.

9. MAINTENANCE

9.1 GENERAL INFORMATION

It is your responsibility to properly maintain and operate your new vehicle. Follow the instructions contained in the General and Scheduled Maintenance Service guidelines in your Owner's Manual. Regular, scheduled maintenance is essential to trouble-free operation. If there is a dispute between you and FCA US LLC concerning the maintenance of your vehicle, FCA US LLC will require you to provide proof that your vehicle was properly maintained.

For your convenience, FCA US LLC has prepared a Maintenance Schedule with routine service intervals which is included in your Owner's Manual. It is essential to follow these required maintenance intervals for safe trouble-free operation.

9.2 WHERE TO GO FOR MAINTENANCE

FCA US LLC recommends that you return to the authorized dealer from whom you bought your vehicle for all maintenance service both during and after the warranty periods. Although you can get warranty service from any authorized dealer who sells your particular make, returning to your selling authorized dealer will help ensure that all your service needs are met and that you are completely satisfied. The dealer technicians are specifically trained to proficiently perform maintenance and repair procedures on your vehicle.

Authorized Chrysler, Dodge, Jeep®, Ram, or Business Link authorized dealers will help ensure that all your service needs are met and that you are completely satisfied. FCA US LLC strongly recommends you use genuine FCA US LLC/Mopar® parts to maintain your vehicle.

9.3 TIRE MAINTENANCE AND REPLACEMENT

Follow all maintenance procedures specified by the manufacturer of this vehicle's tires. The tires originally installed on this vehicle were designed to conform to the Environmental Protection Agency (EPA) greenhouse gas standards and the National Highway Traffic Safety Administration (NHTSA) fuel economy standards. If you need to replace your tires, do so with tires that meet those standards. Check with the authorized Chrysler, Dodge, Jeep®, Ram, or Business Link authorized dealer or with the tire manufacturer for appropriate replacement tires.

Please note that this new vehicle limited warranty contains a binding arbitration provision that may affect your legal rights, and you agree that, pursuant to the arbitration provision contained in this book, that either you or FCA US LLC may elect to resolve any dispute by neutral, binding arbitration and not by a court action. See the binding arbitration provision contained in "section 1.3" of this new vehicle limited warranty for additional information concerning the agreement to arbitrate. The binding arbitration provision contained in this warranty book does not affect any rights a consumer has to participate in any of FCA's nonbinding arbitration programs or any voluntary arbitration programs sponsored by any state or government agency.
